 kontakt@k211consulting.de

Your success is our profession

K211 is a boutique consultancy specialised in executive search for positions in the consulting industry / business consultancies, financial institutes, law firms and industrial companies.

We also provide consulting services to professionals, managers and specialists with economic, banking, mathematical, legal and engineering backgrounds.

K211 Consulting assists both companies and candidates with intensive, independent consulting and personally supports them during the entire placement process.

Our large global network and numerous cooperation partners enable us to confidently operate from our Düsseldorf office on a national and international level.

Please contact us for an individual consultation.

We look forward to your inquiry!

Your vacancy strategically well-placed

Your company's success is based primarily on your employee's performance. To enable you to optimally use this key success factor while focusing on your main business, we will gladly support you with our core competence: finding the best people.

Our services are tailor-made and our recruitment solutions are customised to your individual needs. After an in-depth job intake, we recommend you the optimal recruitment method for your vacancy. Whether we choose a direct approach, an ad placement or build specific access channels – you will surely benefit from our personal support, large specialist network and long-standing experience.

K211 Consulting is your competent partner for specialist and managerial positions in the following areas: consulting industry / business consulting, financial institutes, law firms and industrial companies. We have an extensive network and a continuously updated pool of candidates at all levels. As a boutique executive search specialist, we can also place cross-sector professionals, managers and specialists with economic, banking, mathematical, legal and engineering backgrounds.

In addition to our recruiting tools, we also offer different coaching and training modules. You can select various personnel development topics as group or individual coaching, e.g.:

- Management skills/personnel management
- Preparation for management responsibilities
- Conflict management
- Communication and presentation techniques
- Effectiveness and effectiveness enhancement
- etc.

The content can certainly be customised to your company's needs.

K211 Consulting stands for transparent collaboration, open communication and fair terms.

We will gladly answer your questions by telephone or in a personal meeting.

Services for corporate clients

- Industry and specialist expertise
- Individual recruitment solutions
- Intensive consulting, personal support
- Specialist networks and access channels
- Strong selection through proven selection methods
- Coaching and training of your employees
- Transparent collaboration – always discrete to outside

Position yourself with us in the right place

Your requirements, opportunities and motivations constantly go along with the different phases of life. Also, your professional life rarely remains constant. You grow with your challenges, have different expectations and take on new challenges. Progressing your career and changing role often also means changing company. We assist you in this with in-depth consulting to enable you to make the right decisions.

We will always handle your concerns discretely and confidentially. Your data and documents will only be forwarded to your favorite companies and only with your prior written consent.

In addition to placing candidates into specific positions, we also offer coaching and training for your personal development and orientation in the following areas:

- Professional re-orientation
- Communication and presentation techniques
- Stress management
- Discovering strengths/skills etc.

The content of individual coaching sessions can be customised to your individual wishes.

Our industry focus:

Common goals – successful partnerships

K211 Consulting brings companies and candidates together. Mutual trust, maximum discretion and an open, respectful interaction with each other provide an important basis in this cooperative relationship. In order to be sustainably successful, not only must the expert qualifications be exemplary but the personal goals of candidates and the corporate culture of our clients play a major role.

Our extensive experience has taught us that you can gain the greatest successes through a long-standing collaboration - we strive to reach

them with both our customers and our candidates.

Your success is our passion – we are happy if working with us brings you as much joy as it does to us!

We are there for you – in person, by telephone or via email – at any time!
